**Resort Summary**

We operate the hotels, restaurants, and some gift shops in Yellowstone National Park. Employees have the opportunity to meet and work with people from all over the world. It does take some extra effort for international employees to travel to Montana and Wyoming, but if you enjoy nature, the extra effort will be worth it! You'll see wild animals, thermal features (hot springs & geysers), forests, waterfalls, and mountains. We provide affordable housing & meals, a well organized Recreation Department offering many activities, and free transportation to the Park from Bozeman when you arrive and back to Bozeman when you complete your agreement.
