

Camp Counselor

How To Complete The Reference Questionnaire

Please read before completing the reverse side of this form.

Dear Sir or Madam,

The person named on the reverse side of this form has applied for a position as a **counselor** on the Camp Counselors USA program. Your honest appraisal of this applicant will assist us in determining if the applicant is suitable to participate in the camp program in the USA.

The applicant must possess responsibility, flexibility, a sense of humor and a high level of moral integrity. Outlined below is a description of the counselor role at camp.

As a **counselor**, the participant will be required to teach, lead and be a friend to a group of children aged anywhere from five to seventeen. Their primary responsibility is to ensure the children's safety and well-being and to help make the children's camp experience fun and rewarding. Their tasks usually include planning, leading, and joining in activities. The daily routine will depend on whether the participant is a general or a specialist counselor. A specialist focuses on teaching one particular skill, while a general counselor is involved with the overall supervision of a group of children. All counselors perform a wide variety of duties with children, and each day brings something new. Counselors live in cabins with children and often spend 24 hours a day for nine weeks with them. Participants that choose to work at a camp for people with physical and mental disabilities will find themselves working with children and adults of all ages.

As the referee, you need to make an objective assessment of the character and abilities of the applicant. Any additional comments which will help us to determine the suitability of the applicant are appreciated. **Your quick response is encouraged** as we are unable to proceed with the application without your reference. If you wish to share any reservations about the suitability of this applicant in private, please contact the Camp Counselors USA office.

This Reference Questionnaire should be completed by a teacher, coach, tutor, employer, priest, minister or rabbi. WE CANNOT ACCEPT REFERENCES FROM FAMILY MEMBERS, RELATIVES OR FRIENDS and only one reference may be submitted by a coworker.

Thank you!

Please return the Reference Questionnaire as soon as possible to the applicant in a sealed envelope.

(Application cannot be processed without your reference).
